RESPONSE TO RESTRICTION REQUIREMENT

Box Non-Fee Amendment

Assistant Commissioner of Patents
Washington, D. C. 20231

RECEIVED

JAN 07 2003

GROUP 3600

Dear Sir:

In response to the Examiner's Restriction Requirement dated December 2, 2002, Applicant respectfully requests prosecution of Claims 1-22 with traverse. The Examiner indicates Claims 1-22 are drawn to a fastener, as recited in the claims "a function carrier." Applicant believes that Claims 1-22, including independent Claim 1 are drawn to a single species. Applicant respectfully submits that independent Claim 1 is a generic claim for a function carrier having a rivet sleeve.

Applicant retains the right to prosecute Claims 23-32 at a later time.

Applicant further provides drawings enclosed with this Response to assist the Examiner in evaluating the species set forth in Claims 1-22.

Although it is believed that no fee is due for the filing of this Response, the Commissioner is authorized to charge our Deposit Account No. 08-2789 for any additional fees or credit the account for any overpayments regarding this Response.

Applicant: Humpert, et al.
